

If necessary you are entitled to the services of a language interpreter. Please inform us about your requirement for an interpreter upon scheduling your visit. The health care personnel will then arrange for an interpreter from an interpreting agency.

If your child becomes sick

Emergencies

Contact the child emergency unit on 0470 58 83 00 if your child becomes seriously ill or is seriously injured requiring immediate hospital treatment, or call the switchboard on 58 80 00. If an ambulance is required, call 112.

How to get there:

The child emergency unit is on the 6th floor in the T building.

It is easiest to reach the child emergency unit via Värendsgatan. Head towards the Central Hospital and go through the car park and head right where you will see the "Barnakut" sign. Go up to the 6th floor.

The child emergency unit can be reached at any time by calling: 0470-58 83 00, 58 80 00 switchboard.

Call 112 if you require an ambulance.
