

If necessary you are entitled to the services of a language interpreter. Please inform us about your requirement for an interpreter upon scheduling your visit. The health care personnel will then arrange for an interpreter from an interpreting agency.

## You can get help here

For health care advice, ring 1177 (open 24 hours)  
The medical advisory service also has a website – [www.1177.se](http://www.1177.se)

## Emergency medical centre

For advice about medical care, call 1177, round the clock.  
The medical care council also has a website – [www.1177.se](http://www.1177.se)

Call 112 in the case of an emergency.
